

# Anytime, anywhere. Our personalized employee benefits website makes life easier

Employees today lead fast-paced, busy lifestyles and want quick access to up-to-date information and resources. When it comes to employee benefits, you can count on us to provide the smooth user-experience employees have come to expect.

## Empowering technology

Our secure, personalized employee benefits website makes it easy for your employees to access and manage their benefits information — anytime, anywhere, a click or a tap away.

Through our website, your employees can:

- View their enrollment status
- Apply for additional products/coverage
- Submit a claim and/or check claim status
- Sign up to receive text and/or email notifications for claim updates
- Designate beneficiaries
- Print ID cards
- Find essential forms
- Access educational tools
- Access planning and risk management tools/resources (Life Insurance Calculator, Health Risk Assessment/Disease Risk Management, Procedure Fee Estimator)

## User-friendly navigation

We believe that smooth navigation is one of the most important features for a website's usability. That's why our employee benefits website prioritizes employees' preferences and convenience — so we can provide:

- A layout that adapts automatically to a variety of devices, be it a smartphone, a tablet, a laptop or a desk monitor
- A consolidated, tabbed view so employees can view all of their MetLife benefits on a single screen
- A simple navigation pane that allows quick access to claims, educational tools, forms and more
